## INTRODUCTION

In the ever-evolving world of education, we find ourselves at a pivotal moment where the intersection of technology and learning is reshaping the way we acquire knowledge and how we carry out administrative routines.

Monarch AIS is a groundbreaking technology that promises to revolutionize the landscape of academia for Bible Schools, Colleges and Seminaries. It's a comprehensive Institutional Digital Information Management System, accessible over an intuitive web portal at <https://www.monarch-ais.com.ng>, visit link to learn more about this product, services, features, teams, subscription plans and contact information.

Monarch AIS is not merely a system; it is a testament to our commitment to progress, innovation, and the relentless pursuit of excellence in education administration.

Picture this: a seamless platform that connects educators, administrators, and students in a digital ecosystem designed to enhance the learning experience. Monarch AIS is not just a tool; it is the bridge between the traditional and the future, a conduit for the exchange of ideas and the cultivation of knowledge.

At its core, Monarch AIS is a symbol of empowerment. It empowers educators with robust tools to streamline academic administrative tasks, allowing them to focus on what truly matters—their students. It empowers administrators with data-driven insights, facilitating informed decision-making and optimizing the operational efficiency of educational institutions.

For our students, Monarch AIS is a gateway to a new era of learning. Imagine a world where accessing course materials, submitting assignments, and engaging in collaborative projects is not bound by the constraints of time and space. Monarch AIS opens doors to a flexible, dynamic, and personalized learning experience tailored to the needs of each student.

What sets Monarch AIS apart is not just its functionality but the philosophy that underpins its development. We believe in the power of education to transform lives, and Monarch AIS is our contribution to this transformative journey. It embodies our commitment to fostering a learning environment that transcends boundaries, embraces diversity, and encourages curiosity.

Let us celebrate the possibilities that Monarch AIS brings to our educational landscape. Let us embrace change, not as a challenge, but as an opportunity to shape the future of academia. The Monarch AIS is not just a technology—it is a catalyst for progress, a beacon guiding us towards a brighter, more connected, and enlightened future.

Monarch — is where the pursuit of knowledge meets the power of innovation.

## WORDS FROM THE MONARCH VENDOR

The Monarch Project is our response, as a Christian Company to the “Technological Necessities” in the Ministerial Development Arm of the Church, which, in our opinion, is a vital structure of the Kingdom of Heaven, and this “Necessities” we attempt to surmount by innovating and making available cutting-edge digital technology/solutions with the aim to facilitate a transitioning from the Analogue Model workspace operations to a Digitalized and smart workspace model.

Through this innovation, Bible Institutions will leverage the power of digital technology, global connectedness and cloud computing to achieve academic-administrative efficiency, speed, accuracy of academic information computation, persistence and accessibility, as it is today, in every other sector of the modern world.

## INFORMATION MANAGEMENT MODULES

1. Multi-campus management
2. Online and Offline Admission module
3. Centralized Student Database
4. Centralized Lecturers Database
5. Academic Programmes Database
6. Academic Courses Database
7. Grade System Configurations module
8. Continuous Assessment Reporting module
9. Online and Offline Academic Semester Result Module
10. Electronic Fee Collection via Payment Gateways
11. Offline Fee Collection module
12. Accounting and Finance Reporting module
13. PIN Card and PIN Validation module
14. Automatic GPA/CGPA Computing module
15. Transcript module
16. Multi-campus Lecturer Assignment Facilitator module
17. Role Bases System Resources Access Controller
18. Alumni Database
19. Announcement module
20. Student Engagement module
21. Result Access Controller by determinate Fee clearance position

22. Online / Offline Continuous Assessment Recording module
23. Dedicated Portal for Students
24. Dedicated Portal for Lecturers
25. Dedicated Portal for System Administrator
26. Dedicated Portal for Management Users.
27. Desktop computer, Laptop computer and Mobile Phone accessibility & compatibility
28. Etc.

## OPERATIONAL SERVICE MODEL

The Monarch System is a Software-as-a-Service (SaaS); This means the Vendor of this technology offers it for usage by Bible Institutions on a subscription basis.

This way, Bible Institutions need not worry about the technicalities of maintenance, upgrades, professional know-hows, experts retainerships, and the corresponding cost of running a service such as this. But by paying a Recurring Subscription Fee, the Vendor takes responsibility for the technical maintenance requirements of the System, and its third-party dependencies, and thus ensuring the system is always at optimal performance.

With this model, Bible Institutions enjoy a grand service at a reduced cost.

The subscription cost for the Monarch AIS Service is based on active Students User Account, billed per semester at a standard rate of \$1.00. This charge covers system maintenance, upgrades, third party dependencies subscription, and other technical services employed, as well as Royalties paid to the Institution.

### **Autonomy License**

Nonetheless, The Monarch System Vendor also makes an Autonomy License available to Bible Institutions. This license allows Bible Institutions to maintain a White-Label Copy of the Monarch Academic Information System, with privileges to rebrand/Personalize.

Bible Institutions with the Autonomy License are exempted from paying the Recurring -Subscriptions Fees, and maintains the right to utilize the Academic Information System to generate revenue for themselves, via Portal Service Charges on active students' user accounts. Visit [www.monarch-ais.com.ng](http://www.monarch-ais.com.ng) to learn more about the Autonomy License Price.

Worthy of note, for Autonomy License holders, the annual renewal of system digital infrastructures such as Servers, Domain Names, Security Certificates, backup tools, etc. will be the sole responsibility of the holder. The Monarch System Vendor may be engaged to facilitation of the renewal of the AIS system digital infrastructures.

## CONFIDENTIALITY

Partner Bible Institutions will be required to delegate one to two System Administrators, who will be trained on the administrative usage of the Monarch Academic Information System.

This individual must hold a certification in Computer Appreciation and Internet Studies. This way, the Vendor is excluded from access to confidential institutional information.

## BIBLE INSTITUTIONS ON-BOARDING

On-boarding of Bible Institutions on the Monarch System can be carried out on the Monarch AIS Website, visit [www.monarch-ais.com.ng](http://www.monarch-ais.com.ng).

**The following information will be required on the website:**

1. Chosen Subscription Plan Activation
2. Institution Profile Information
3. System Administrator Profile Information
4. A one-time \$7.00 setup fee
5. Institution Academic Profile Setup Information (After 1 to 4 is completed)

## SUBSCRIPTION FREE LICENSE

As at the time of publication of this document, Monarch AIS Vendor offers the Monarch System to Bible Institutions on a **Recurring Subscription Free License**. This offer applies to all Bible Institutions on-boarding between the year 2024 and 2026.

Our Mission and Vision in making the Monarch System available to Bible Institutions on a Recurring Subscription Free License, is to facilitate our Company's execution of her commitment to her Christian Calling and Resolve to make Foundational Ministerial Education & Training For all Believers Free and Accessible. 2 Cor 5:17-21 "...for God hath reconciled us to Himself through Christ Jesus, and hath given to us the Ministry of Reconciliation, ...now we are ambassadors for Christ.

This mandate, we are positive, Believers will more effectively undertake given sound Foundational Ministerial Education and Training.

Our initiative for Free and Accessible Foundational Ministerial Education and Training for all Believers, we will accomplish through the collaboration of the Monarch-KST Community of Corporate Sponsors, Partners, Donors and Scholarships.

The Monarch Management shall also engage invasive sensitization activities to all reachable Christian bodies for the purpose of Students Sponsorship / Scholarship, and then assign these sponsored / scholarship candidates to Monarch Accredited Partner Bible Institutions via our Hybrid Distance Learning Programmes.

As of 2024, the digital technologies that will equip our Partner Bible Institutions to deliver Hybrid Distance Learning Programmes are being developed, and are expected to be completed and launched in the year 2025.

## HYBRID DISTANCE LEARNING INITIATIVE

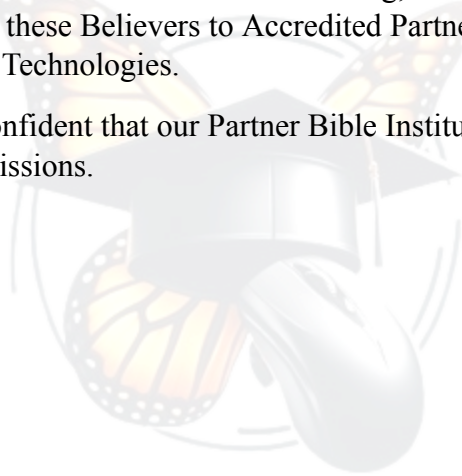

It is in our resolve as a Kingdom Oriented Company to contribute to the growth of the Church of Jesus Christ, by making available a system that connects Believers around the world to Free and Accessible Foundational Ministerial Education and Training.

We understand from our research data, the effect which the present global economic unrest has posed on Bible Institutions' studentship admission. Statistics report a steady decline in admission across Bible Institutions within the year 2022 and 2024.

Armed with this insight, bearing in mind the importance of the Ministerial Development Arm of the Church, it has become imperative for us as a Company to take activist actions to combat these declines in studentship admission in Bible Institutions.

Monarch Hybrid Distance Learning Initiative and its programmes, is the product of the ideas which the Holy Spirit have imprinted in our hearts; to empower the Body of Christ with Free and Accessible Foundational Ministerial Education and Training, through Scholarships and Sponsorships, and to connect these Believers to Accredited Partner Bible Institutions via the use of Hybrid Distance Learning Technologies.

With this initiative, we are confident that our Partner Bible Institutions will experience a boost in their routine studentship admissions.

## ACCREDITATION FOR HYBRID DISTANCE LEARNING PROGRAMMES

The accreditation of Partner Bible Institutions is the Monarch-KST Community's criteria to ensure; Partner Bible Institutions are well equipped to effectively conduct Hybrid Distance Learning Programmes.

### **Measurable by aggregate:**

- Intellectual and Scholastic Rating of Educators
- Structural Facility
- and Hybrid Distance Learning Electronic Gadgets.

The Monarch Accreditation Exercise for Partner Bible Institutions shall be conducted two time annually, to create evaluation opportunities for more Partner Bible Institutions, and for re-evaluation for pre-accredited Bible Institutions.

### **The Accreditation Exercise involves:**

- Scholastic Assessment of 5 lecturers representing a Bible Institution.
- Facility Assessment carried out remotely.
- Digital Study Resource Library (Textual, Audio, Video).
- Hybrid Distance Learning Electronic Gadgets.

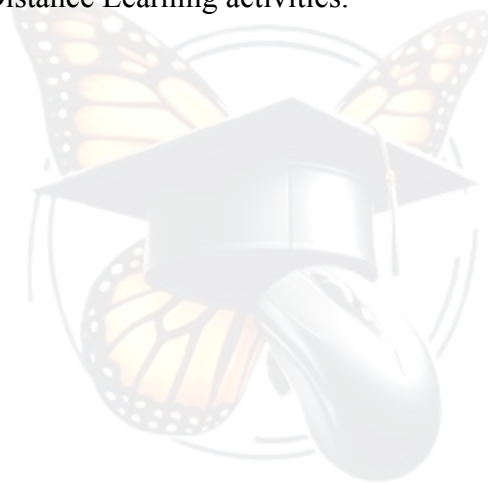

### **Note:**

Monarch Subscription Free License initiative is to enable Bible Institutions generate revenue from the usage of the Monarch Academic Information System per active student profile, and from there, apportion the generated revenue for the fundings of Representing Lecturers Enrollment in the Annual Hybrid Distance Learning Accreditation Exercise for Partner Bible Institutions.

## DELIVERABLES FOR ACCREDITED PARTNER BIBLE INSTITUTIONS

The Monarch-KST Community shall provide the following Hybrid Distance Learning Resources to Accredited Bible Institutions:

1. Free Peetalex e-Learning Hub user account; for Hybrid Distance Learning Programmes Administration.
2. Electronic Gadgets for Hybrid Distance Learning (Bluetooth Mic, HD Webcam, Ring Light, Internet Modem, Tripod Stand).
3. Remote Training of delegated Bible Institution's System Administrator on Distance Learning Administration, Peetalex e-Learning Hub setups, and usage of the Electronic Gadget for Hybrid Distance Learning activities.
